

Annual Report of College (Session 2021-22)

RSD College, Ferozepur City

The session 2021-22 was a significant year for the college as there were activities of seismic proportions conducted in various areas in the college. The activities aimed to develop various facets of the personality of students in order to make them socially responsible and skilled individuals. All the departments and cells of the college actively participated in these activities. Hence, the session proved to be a fruitful one. The college prepared itself for offline classes as per the guidelines issued by concerned authorities. In order to help students come out of the inertia caused by lockdown and extended online teaching, the IQAC of the college urged different departments and cells to conduct activities related to soft-skills and creative expressions. The departments were also instructed to take students to trips to historical places, industrial units, and corporate offices. It was also felt that there is an urgent need to acquaint students with alternative career choices by making them interact with persons from corporate sector.
