

Feedback Analysis Report

(2020-21)

Every year, the College collects feedback from various stakeholders to measure the impact of all the efforts taken by the institution and to improve quality in all aspects. The College maintains an Institution Level Feedback Report. Feedback on curriculum and infrastructure is collected in a specific format from students, alumni, employers, teaching faculty, and parents. The results are formulated by statistically quantifying the received feedback forms. Data collected is consolidated and a report is prepared. Data entered in the feedback forms is analysed and suggestions/feedback given by the stakeholders is given due attention.

Analysis of Feedback Collected on specific Performa from:

- 1) Students (Courses, Syllabi, Subject Evaluation and Teacher, Infrastructure and Administration
- 2) Teaching Faculty
