Words.... From the Pen of the President

An exuberant welcome to the session 2020-21 and new academic Year! Let us pave way to its commencement with great fervor and supposition in order to achieve towering standards in the field of academics and other essential skills.

I wish to congratulate you for choosing Ram Sukh Das College as the preferred choice for the next few years. Choosing where to continue your education is a major decision and I believe that Ram Sukh Das College will be a choice you shall be proud of, especially if you are ambitious and determined to succeed. I would be pleased to welcome you all in the R. S. D. College Family. It is a matter of overwhelming pleasure that the college has successfully traveled a journey of 100 years and we are committed to travel many more in the years to come. We are delighted to be involved in imparting value based education to students and cultivate the values everyone seeks for.

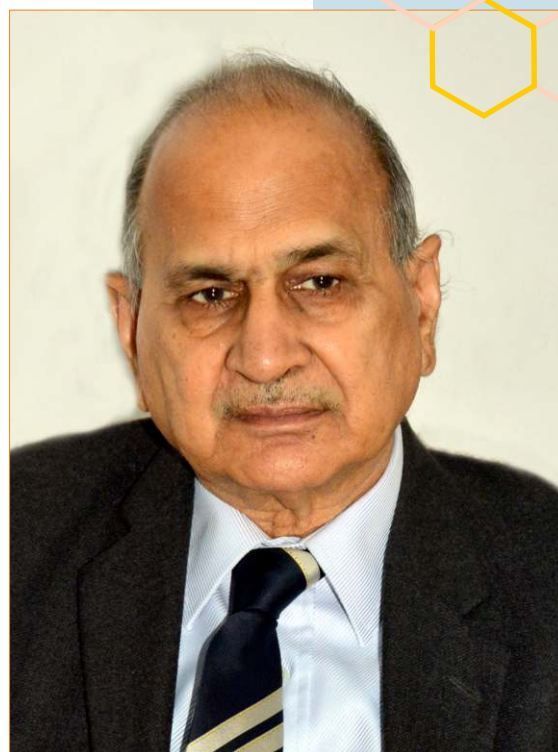

Ram Sukh Das College not only focuses on the theoretical curriculum, but also helps in the development of a student personality, extra-curricular activities and over all perspective. Everything that makes a good institution are - a highly trained faculty, rich library, placement division, teaching methods, liberty to think and express themselves - we have it here. The objective of higher education in semi-rural area is associated with employment as it ensures a positive attitude to see the universe from better angle and to analyze, determine and apply an individual's idea in a constructive development of society.

As we step into this new academic year, filled with hope and dreams of scaling new heights, I wish to reiterate the importance of a few things that we have to keep in mind. Parents should remember that children should not be forced, but should be guided to achieve whatever goals they may have in their minds in an easy and pleasing manner, so that we may be able to discover the particular touch of genius in each one of them. The purpose of education is to teach our children to think and develop a capacity to reason out facts. Students should keep in mind the importance of planning and prioritizing their time and the effective use of it which is essential to achieve success.

As a leading co-educational college in the City of Ferozepur and surrounding areas we emphasize developing and maintaining positive relationships. We focus on getting to know each student as an individual. This personal approach ensures we provide individual support and access to opportunities that are suited to each student's chosen field of interest.

With experienced and dedicated teachers and excellent infrastructure, our college helps students to realize their goals in life. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extra-curricular activities that are offered. The overall development of the mind and body is a sign of a healthy and complete development.

In a world that rewards perseverance, resilience, initiative, problem-solving and cooperation, our students leave well prepared for the unending world of opportunities and employment. I am proud of the significant accomplishments of our students and the results our College has achieved in being a better choice in education.

Principal's Message

Dear Students!

Welcome to Ram Sukh Das College, Ferozepur City. R.S.D. College, an institution of academic excellence and achievement, was established in 1921. This means that we are into the centenary year of the establishment of an institution that has seen many students scaling the heights of success, name and fame. It is amongst one of the finest colleges of Panjab University Chandigarh. In the college, we impart higher education to young budding minds of the society, which is a very substantial, potent and conscientious task. I want that our students should be imparted an all round education so that they become multidimensional rather than uni-dimensional. In my view, acquiring information is no longer the main focus of education; instead the main aim of education is to build the powers of human mind and spirit. We believe in providing our students an environment, rich in knowledge and supportive for their extracurricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

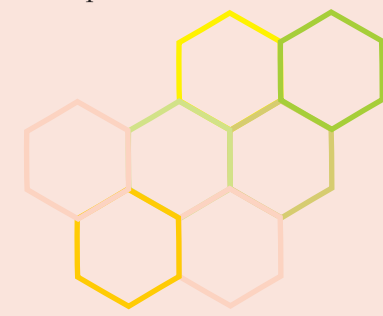

It is wonderful to look back at the last few years, at Ram Sukh Das College, when there is so much to feel proud of and so much to celebrate. Last few years have been extremely successful and satisfying in terms of accomplishments and accolades in scholastic, co-scholastic and infrastructural development areas. The success of R.S.D. College in all spheres is the combined product of all our little efforts.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non teaching staff and my students for this. We have to continue to move ahead for producing and maintaining the best. Our teachers work hard throughout the year with the students to provide them with high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. I strongly believe that-

“All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity”

My best wishes to the new students entering R.S.D. College..

COLLEGE PROFILE

Ram Sukh Das College, is the standalone institution in the Ferozepur City that promises to impart excellence in education and high moral upbringing. Founded in 1921 as a resultant of cherished dream of Late Lala Ram Sukh Das ji who kept apart Rs.50,000 for this purpose, the college has proven to be one of its own kind in the area for its excellence. The whole family of the founding member contributed in terms of land and building, to translate Ram Sukh Das ji's dream into reality. The legacy was carried forward by his illustrious son Late Lala Gowardhan Das ji, an eminent lawyer and philanthropist of the town who finally gave a material mould to a dream of a father. The College, one of the oldest in the state, is governed by Ram Sukh Das College Trust and Management Society. Late Rai Sahib Lala Gowardhan Das ji became its Founder President and he worked diligently as president till his sad demise in 1959. For forty years, he worked ceaselessly for the welfare and development of this institution with single minded-devotion, untiring zeal and enthusiasm. After his demise, his eldest son Sh. Kulbhushan Sanwalka, Advocate, became the President and served this institution for more than three decades till his untimely death in 1992. His whole hearted devotion and ceaseless work made R.S.D. College, one of the top institutions in the state. Sh. Satish Chandra Sanwalka, a dynamic business magnate took over as President of the college management committee to fill the void created by the death of Sh. Kulbhushan Sanwalka ji. The College is duly accredited by NAAC and situated outside Makhu Gate on the Mallanwala Road. The College has a beautiful campus with imposing building, lush green lawns and playground, extremely well equipped Science Laboratories, Lecture Galleries, Library and Reading Hall and Air-Conditioned Computer Laboratories and Seminar/Conference Hall. The whole college campus is connected with a stand-by modern generator for power backup. The college is completely Wi-Fi enabled Campus. The College has a shooting range of its own. The college has constructed an airy well lighted spacious two storey modern library building and with

functioning, air conditioned administrative block for the benefit of the students and the staff. The college has a very experienced faculty in all streams. We are running successfully, Science (B.Sc.), Commerce (B.Com. Pass course & Honours), Humanities (B.A.) and Computer Applications (B.C.A.) at Undergraduate level and Postgraduation in Punjabi, History, English, Chemistry, Commerce, Accounting & Finance, and Information Technology. From this year, the college has also gone a step forward in the zeal to provide excellent academic framework. The College has introduced 4 Year integrated B.A. /B.Sc. B.Ed course with only 50 Seats. This professional and innovative educational programme lends students a degree of Bachelor of Arts or Bachelor of Science as well as Bachelors' Degree in Education in four years.

New infrastructure has been developed according to the requirements of this course. The college has started B.Voc (Software Development) three year professional course under NSQF (National Skills Qualification Framework). This is a skill based job oriented course apart from the traditional education system. A new computer lab has been maintained to meet the need of this course. The college has a commendable track record in extramural and sports activities also.

Keeping in view the increasing demand of girls' security and convenience, the College Management has built a modern Girls' Hostel with updated facilities for girls coming from far-fetched areas. This is a commendable step to promote the women empowerment.

OBJECTIVES OF THE COLLEGE

From the Founder President's Address on the Opening Ceremony (29-05-1921)

"The truest test of civilization" wrote Emerson, "is not the census, nor the size of cities, nor the crops but the kind of men the country turns out", for as was rightly remarked by Orison Morden, "Manhood is above all riches, overtops all titles, character is greater than any career." And if education, which is one of the most vital forces in the economy of every civilized country in the globe as it shapes the destinies of human children in the morning of the manhood, confines itself (as at present it does) to mere intellectual education and neglects the far superior work of evolution of high character among boys and girls, it misses the greatest feature of its vocation.

Dr. Corrivell of America who has made the study of Young man as his greatest hobby most painfully remarks, "War, pestilence and Famine combined sink into insignificance when compared with the evil habits and wicked practice of young. My most blessed Master has taught me the supreme importance of character." The college therefore keeps this fundamentally important object in the prominent front seat of its curriculum. The development of character is the important feature of the college. It will always be the concern of the college authorities to give its pupils modern and updated intellectual education and along with that evolve in them a type of noble, truly chivalrous and practically useful and serviceable humankind.

The first essential would be to provide a clean, moral atmosphere. As beautiful flowers grow in congenial atmosphere, the same way does the delicate feelings of higher character sprout and blossom in a favourable atmosphere. The need for such an essential institution cannot be too deeply emphasized. From one border of our native land to the other, an aggressive and relentless warfare should be waged until cleaner and more wholesome atmosphere prevails among the young manhood of the nation. For, there is a contagion of virtue as well as of vice, there is a contagion of moral health as well as of sickness. The influence of the deed is more potent than that of the word. Besides providing good and efficient staff it shall also be the serious anxiety of the college authority to provide such books and periodicals which add value to the character and joy to life. Thus every effort will be made to surround the lives of young scholars with all that can elevate and ennoble them.
