## FROM THE PEN OF THE PRESIDENT

I feel privileged to welcome all the students to the new Academic Session and congratulate them for joining Ram Sukh Das College, an institution that aims at producing professionally efficient and socially committed human capital. Started in 1921, in the memory of our revered grandfather, Lala Ram Sukh Das Ji a great visionary and philanthropist, the college has successfully withstood all the changes in the field of education and has never wavered in its vision. I congratulate the Members of College Trust and Management Society, the Principal, the Staff and all the other stakeholders for being true to the vision and mission of the founding father of the college.

As the President of the College, I feel honoured to be a part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. That is why, we look at ourselves as a community of learners that incessantly strives to learn, unlearn and relearn. We also believe in upholding high standards of work ethics, maintaining transparency in the day-to-day working and setting global benchmarks in teaching-learning process.

Technology and innovation are going to be the key facilitators of success in future. Dream big, think big, experiment, and be passionate in whatever you do. The world is changing; it is getting more competitive and at the same time offering enormous opportunities to those who possess appropriate skills, the right attitude and an innovative mind.

Remember that nothing stays forever - neither success nor failure. The only thing that is constant in life is change. We have to accept the changes and challenges of life and be mentally focused, strong and determined. God has created infinite capacity in you, make use of it and keep learning about new things. I am confident that if you cherish and live these values, you will go a long way and achieve success in all spheres of life!

**Satish Chandra Sanwalka**

President, R.S.D. College Trust & Management Society

## FROM THE PEN OF THE **SECRETARY**

Illustrious Ram Sukh Das College, which was started in the name and as a divine wish of Revered Lala Ram Sukh Das Ji, my Great Grandfather, in 1921, steps into its 103rd year of quality education service. ## FROM THE PEN OF THE PRINCIPAL

I feel honoured to have been blessed with the opportunity of welcoming you to a century old tradition, a legacy that has always shaped the destiny of this border-belt and will definitely continue to do so till eternity. I am also fondly reminded of the prophetic vision of the founding fathers of the college who had the farsightedness to establish a college during times when higher education was still in its infancy in the country. Being true to the prophetic vision, altruism, commitment to society and self-revelation have been the cherished ideals of RSD College since its inception in 1921. The college is affiliated to Panjab University, Chandigarh and offers UG and PG courses in various streams. The college is one of the few institutions in the state to offer BA/B.Sc. B.Ed 4 Year Integrated Course.

The college can legitimately boast of an ecosystem that nurtures critical thinking, inculcates life- skills and develops sense of fraternity among students. At the heart of the ecosystem is highly qualified and zealously committed staff that is ready to go the extra mile to make teaching- learning process meaningful. No stone is left unturned in developing different facets of the personality of students through 'n' number of curricular and extra-curricular activities so as to make them ready for a globalized world that is inherently volatile and constantly mutating. Concurrently, we also aim to nourish cooperative learning among students to inculcate team spirit in order to accomplish common learning goals. Hence, the college aims to provide an environment that is safe, productive; and ultimately transformative.

Once again, I welcome all the stakeholders to the college and assure that we at RSD will continue to strive ceaselessly to prove ourselves to be worthy of a tradition that has given wings to the dreams of countless generations and will definitely continue to do in the times to come.

## COLLEGE PROFILE

Ram Sukh Das College is the standalone institution in Ferozepur City that promises to impart excellence in education and high moral upbringing. Founded in 1921 as a result of the cherished dream of Late Lala Ram Sukh Das ji, who kept apart Rs.50,000 for this purpose, the college has proven to be one of its own kind in the area for its excellence. The whole family of the founding member contributed in terms of land and building, to translate Ram Sukh Das ji's dream into reality. The legacy was carried forward by his illustrious son Late Lala Gowardhan Das ji, an eminent lawyer and philanthropist of the town who finally gave a material mould to the dream of his father.

The College, one of the oldest in the state, is governed by Ram Sukh Das College Trust and Management Society. Late Rai Sahib Lala Gowardhan Das ji became its Founder President and he worked diligently as president till his sad demise in 1959. For forty years, he worked ceaselessly for the welfare and development of this institution with single minded-devotion, untiring zeal and enthusiasm. After his sad demise, his eldest son Sh. Kulbhushan Sanwalka, Advocate, became the President and served this institution for more than three decades till his untimely death in 1992. His whole hearted devotion and ceaseless work made R.S.D. College one of the top institutions in the state. Sh. Satish Chandra Sanwalka, a dynamic business magnate took over as President of the college management committee to fill the void created by the death of Sh. Kulbhushan Sanwalka ji.

The College is duly accredited by NAAC and situated outside Makhu Gate on the Mallanwala Road. The College has a beautiful campus with imposing building, lush green lawns and playground, extremely well equipped Science and Computer Laboratories, Lecture Galleries, Library and Reading Hall and Seminar/Conference Hall. The whole college campus is connected with stand-by modern generators for power backup. The college campus is completely Wi-Fi enabled. The college has constructed an airy, well lighted and spacious double storey modern library building with more than 54000 books and subscription of National Library and Information Services Infrastructure for scholarly Content (N LIST) database of INFLIBNET. The College has an air-conditioned administrative block for the benefit of the students and the staff. The college has a very experienced faculty in all streams. We are running successfully, Science (B.Sc.), Commerce (B.Com. Pass course & Honours), Humanities (B.A.) and Computer Applications (B.C.A.) at Undergraduate level and Post Graduation in Punjabi, History, English, Chemistry, Commerce, Accounting & Finance. The college has also gone a step forward in the zeal to provide excellent academic framework. It has introduced 4 Year integrated B.A./B.Sc. B.Ed. course. This professional and innovative educational programme lends students a degree of Bachelor of Arts or Bachelor of Science as well as Bachelors' Degree in Education in four years.

New infrastructure has been developed according to the requirements of this course. The college has also started B.Voc (Software Development) and B.Voc. (Medical Lab & Molecular Diagnostic Technology) three year professional courses under NSQF (National Skills Qualification Framework). These are skill based and job oriented courses. A new computer lab and three ultra modern labs for the MLMDT course have been maintained to meet the need of these courses. Keeping in view the increasing demand of girls' security and convenience, the College Management has built a modern Girls' Hostel with updated facilities for girls coming from far-fetched areas. This is a commendable step to promote the women empowerment.

# OBJECTIVES OF THE COLLEGE

From the Founder President's Address on the Opening Ceremony (29-05-1921)

"The truest test of civilization" wrote Emerson, "is not the census, nor the size of cities, nor the crops but the kind of men the country turns out", for as was rightly remarked by Orison Morden, "Manhood is above all riches, overtops all titles, character is greater than any career. And if education, which is one of the most vital forces in the economy of every civilized country in the globe as it shapes the destinies of human children in the morning of the manhood, confines itself (as at present it does) to mere intellectual education and neglects the far superior work of evolution of high character among boys and girls, it misses the greatest feature of its vocation.

Dr. Corrivell of America who has made the study of Young man as his greatest hobby most painfully remarks, "War, pestilence and Famine combined sink into insignificance when compared with the evil habits and wicked practice of young. My most blessed Master has taught me the supreme importance of character." The college therefore keeps this fundamentally important object in the prominent front seat of its curriculum. The development of character is the important feature of the college. It will always be the concern of the college authorities to give its pupils modern and updated intellectual education and along with that evolve in them a type of noble, truly chivalrous and practically useful and serviceable humankind.

The first essential would be to provide a clean, moral atmosphere. As beautiful flowers grow in congenial atmosphere, the same way does the delicate feelings of higher character sprout and blossom in a favourable atmosphere. The need for such an essential institution cannot be too deeply emphasized. From one border of our native land to the other, an aggressive and relentless warfare should be waged until cleaner and more wholesome atmosphere prevails among the young manhood of the nation. For, there is a contagion of virtue as well as of vice, there is a contagion of moral health as well as of sickness. The influence of the deed is more potent than that of the word. Besides providing good and efficient staff it shall also be the serious anxiety of the college authority to provide such books and periodicals which add value to the character and joy to life. Thus every effort will be made to surround the lives of young scholars with all that can elevate and ennoble them."
