Message from the President

On the behalf of R.S.D. College Trust & Management Society, I take the pleasure to welcome the students to the portals of R.S.D. College which has developed its distinctive identity and carved out a niche in the field of quality education.

Ram Sukh Das College is one of the oldest institutions of Punjab for higher education. This institution, which had a very humble beginning as an Intermediate College with 15 students in 1921, has developed in the course of time to a Post Graduate Degree College which has been catering to the needs of the students belonging to the socio-economically backward area of Ferozepur.

On the footsteps of my fore-fathers I visualized that education for the young Indian Citizen has to be the best and benchmarked on global standards. At R.S.D. College we intend to provide world class education thereby committing ourselves to transform the young students to adapt to dynamics of global education. We are accessible to all aspirants who are seeking excellence not only in the field of education but self-development and sports as well. Therefore, our focus is to achieve unparalleled excellence that will bring development to our society and mankind.

I believe that education is the only panacea for the amelioration of economic condition of our country. It is my dream and vision to transform our student's personality through modern pedagogical teaching and excellent educational environment. Build your skills during your stay in college. And, above all, try to follow an ethical way of life because that will make you a complete human being.

Make the best use of all the facilities that are available. Build your skills and maintain a balance between academic and co-curricular activities. Enjoy yourselves; by all means, but always remember the need for self-discipline, moral values and a sense of responsibility.

S.C. Sanwalka

President, R.S.D. College Trust & Management Society

Message from the Principal

As we step into the new session 2014-15, I welcome the prospective students to the portals of this premier institution. R.S.D. College has always remained at the vanguard of academics in this backward and border area. The college was established by late L. Gowardhan Das with a dream to provide value based education to the youth of Ferozepur and its surroundings. With this objective in our mind, the college Management and Staff work in harmony to provide a very conducive and congenial atmosphere to nurture the versatile personality of the students to take the college to the zenith of glory. Over the years this college has become the apt choice for the students who aspire to pursue the path of excellence. The alumni of this college are spread in different walks of society. We are proud of our intellectual distinctions and achievements and the college has always excelled in sports and cultural activities.

It is a matter of honour that our college has become NAAC Accredited college. Recently new courses have been introduced at PG level viz MA (Punjabi), MA (History), M. Com., M.Com. (Accounting and Finance) and B.Com. (Hons), Sociology and two Add-on courses at UG level. Last year we added a distinguished feature of a safe and secure hostel equipped with modern amenities for girls.

I earnestly hope that the new entrants will be able to fulfil their coveted dreams and aspirations by hard work during their stay in the college and they would prove to be an asset to the college and take it to the pinnacles of glory. Keep your mind open and focused and make your decisions based on facts and not on wishful thinking. Let discipline be the watchword in the college.

We roll out a red carpet for you and look forward to your success in every endeavour.

College

Founded in 1921, the Ram Sukh Das College, Firozpur city has grown into one of the largest centres of higher education. It was cherished dream of Late Lala Ram Sukh Das ji to start a college in this area, he kept apart Rs. 50000 for this purpose. Land and building was also donated by the family. This dream was translated into a reality by his illustrious son late Lala Gowardhan Das ji who was an eminent lawyer and philanthropist of the town.

The College, one of the oldest in the state, is governed by Ram Sukh Das College Trust and Management Society. Late Rai Sahib Lala Gowardhan Das ji became its Founder President and he worked tirelessly as president till his sad demise in 1959. For forty years, he worked ceaselessly for the welfare and development of this institution with single minded-devotion & untiring zeal & enthusiasm. After his demise, his eldest son, Sh. Kulbhushan Sanwalka, Advocate, become the president and served this institution for more than three decades till his untimely death in 1992. His whole hearted devotion and ceaseless work made R.S.D College, one of the top institutions in the state. Sh. Satish Chandra Sanwalka, a dynamic business magnate took over as president of the college managing committee to fill the void created by the death of Sh. Kulbhushan Sanwalka ji.

The College is now duly accredited by NAAC and situated outside Makhu Gate on the Mallan Wala Road. The College has a beautiful campus with imposing building, lush green lawns and playground, extremely well equipped Physics, Chemistry, Botany, Zoology Labs, Biological Museum, Lecture Galleries, Library and Reading Hall and Air-Conditioned Computer Laboratories. The Whole college campus is connected with a stand-by most modern generator for power backup. The college is completely Wi-Fi enabled Campus. The College has a shooting range of its own. The college has constructed an airy well lighted spacious two storey modern library building, and beautiful administrative block for the benefit of students and staff.

Recently, keeping in view the increasing demand of a secure and well equipped with facilities Girls' Hostel, the college management has built a modern and state of art girls' hostel with facilities for girls coming from far-fetched areas. This is a commendable step to promote the girl education.

of the College

From the Founder - President's Address on the Opening Ceremony (29-05-1921)

"The truest test of civilization" wrote Emerson, "is not the census nor the size of cities nor the crops but the kind of men the country turns out", for as was rightly remarked by Orison Morden, Manhood is above all riches, overtops all titles, character is greater than any career", And if education, which is one of the most vital forces in the economy of every civilized country in the globe as it shapes the destinies of human children in the morning of the manhood, confines itself (as at present it does) to mere intellectual education and neglects the far superior work of evolution of high character among boys and girls, it misses the greatest feature of its vocation "The heart of men more than their heads & hand to Shape history" "The effect of the neglect of the moral education have proved most disastrous.

Dr. Corrivell of America who has made the study of Youngman as his greatest hobby most painfully remarks. "War, Pestilence and famine combined sink into insignificance when compared with the evil habits and wicked practice of young. My most blessed Master has taught me the supreme importance of character." The college, therefore, keeps this fundamentally importance object in the prominent front seat of its curriculum. The development of character will be the important feature of the college. It will ever be the concern of the college authorities to give its pupils modern and update intellectual education and along with that evolve in them a type of noble, truly chivalrous and practically useful and serviceable manhood.

The first essential would be to provide a clean, moral atmosphere. As beautiful flowers grow in congenial atmosphere, in the same way delicate feelings of higher character sprout and blossom in a favourable atmosphere. The need for such an essential institution cannot be too deeply emphasized. From one border of our native land to the other, an aggressive and relentless warfare should be waged until a cleaner and more wholesome atmosphere prevails among the young manhood of the nation. For, there is a contagion of virtue as well as of vice, their is a contagion of moral health as well as of sickness. The influence of the deed is more potent than that of the word. Besides providing good and efficient staff it shall also be the serious anxiety of the college authority to provide such books and periodicals which add value to the character and joy to life. Thus every effort will be made to surround the lives of young scholars with all that can elevate and ennoble them.
