PRINCIPAL'S MESSAGE

I am very happy to greet and welcome you through this page. I am blessed, and count it a privilege to serve as the Principal of such a dynamic, exciting and student focused college. Those of us involved at R.S.D. College feel proud of our college and the achievements of its students in the past. I am sure the same will continue into the future.

College should be a place of learning and joy and discovery. We aim at regular scrutiny of the quality of teaching and the content of teaching. This will certainly go a long way in enhancing quality in education in accordance with the objectives of the institution and in serving society at large with sensitivity and commitment. We envisage, in the coming years, to introduce more of post-graduate courses in our college. The college has achieved many feats and climbed new heights.

The college believes that education does not end in a classroom. Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. This is an ennobling process of growth. I can boldly say that we have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing quality education.

Holistic Social and moral values are central to everything we do. Our college strives to develop the values of Excellence, Compassion, Humility, Respect, Integrity, Justice, Perspicacity, Responsibility and Hope in every student, and allow them to demonstrate love and a life-long habit of service to others.

I intently believe that you would have an all-round development of your personality during your stay in this Temple of learning. With this you would definitely turn out to be the best citizens endowed with humanistic values after getting formally instructed from this institution and would open new horizons of development and bliss for your country.

With best wishes and blessing for the upcoming session.

COLLEGE PROFILE

Founded in 1921, the Ram Sukh Das College, Ferozepur City has grown into one of the largest centres of higher education. It was cherished dream of Late Lala Ram Sukh Das ji to start a college in this area, he kept apart Rs. 50000 for this purpose. Land and building was also donated by the family. This dream was translated into a reality by his illustrious son late Lala Gowardhan Das ji who was an eminent lawyer and philanthropist of the town.

The College, one of the oldest in the state, is governed by Ram Sukh Das College Trust and Management Society. Late Rai Sahib Lala Gowardhan Das ji became its Founder President and he worked tirelessly as president till his sad demise in 1959. For forty years, he worked ceaselessly for the welfare and development of this institution with single minded-devotion & untiring zeal & enthusiasm. After his demise, his eldest son, Sh. Kulbhushan Sanwalka, Advocate, become the president and served this institution for more than three decades till his untimely death in 1992. His whole hearted devotion and ceaseless work made R.S.D College, one of the top institutions in the state. Sh. Satish Chandra Sanwalka, a dynamic business magnate took over as president of the college managing committee to fill the void created by the death of Sh. Kulbhushan Sanwalka ji.

The College is duly accredited by NAAC and situated outside Makhu Gate on the Mallan Wala Road. The College has a beautiful campus with imposing building, lush green lawns and playground, extremely well equipped Physics, Chemistry, Botany, Zoology Labs, Biological Museum, Lecture Galleries, Library and Reading Hall and Air-Conditioned Computer Laboratories. The Whole college campus is connected with a stand-by most modern generator for power backup. The college is completely Wi-Fi enabled Campus. The College has a shooting range of its own. The college has constructed an airy well lighted spacious two storey modern library building, and beautiful administrative block for the benefit of the students and the staff.

Recently, keeping in view the increasing demand of a secure and well equipped with facilities Girls' Hostel, the College Management has built a modern and state of art girls' hostel with facilities for girls coming from far-fetched areas. This is a commendable step to promote the girl education.

OBJECTIVES OF THE COLLEGE

From the Founder -President's Address on the Opening Ceremony (29-05-1921)

"The truest test of civilization" wrote Emerson, "is not the census nor the size of cities nor the crops but the kind of men the country turns out", for as was rightly remarked by Orison Morden, "Manhood is above all riches, overtops all titles, character is greater than any career". And if education, which is one of the most vital forces in the economy of every civilized country in the globe as it shapes the destinies of human children in the morning of the manhood, confines itself (as at present it does) to mere intellectual education and neglects the far superior work of evolution of high character among boys and girls, it misses the greatest feature of its vocation.

Dr. Corrivell of America who has made the study of Youngman as his greatest hobby most painfully remarks, "War, Pestilence and Famine combined sink into insignificance when compared with the evil habits and wicked practice of young. My most blessed Master has taught me the supreme importance of character." The college, therefore, keeps this fundamentally important object in the prominent front seat of its curriculum. The development of character will be the important feature of the college. It will ever be the concern of the college authorities to give its pupils modern and update intellectual education and along with that evolve in them a type of noble, truly chivalrous and practically useful and serviceable manhood.

The first essential would be to provide a clean, moral atmosphere. As beautiful flowers grow in congenial atmosphere, the same way does the delicate feelings of higher character sprout and blossom in a favourable atmosphere. The need for such an essential institution cannot be too deeply emphasized. From one border of our native land to the other, an aggressive and relentless warfare should be waged until a cleaner and more wholesome atmosphere prevails among the young manhood of the nation. For, there is a contagion of virtue as well as of vice, there is a contagion of moral health as well as of sickness. The influence of the deed is more potent than that of the word. Besides providing good and efficient staff it shall also be the serious anxiety of the college authority to provide such books and periodicals which add value to the character and joy to life. Thus every effort will be made to surround the lives of young scholars with all that can elevate and ennoble them.
