PRINCIPAL'S MESSAGE

I welcome you to the institution that has been, indefatigably, setting the highest standards in teaching, learning and extension activities and stands for excellence. R.S.D. College has an enigmatic expedition of nearly hundred years of rendering its noble mission of pursuit of knowledge, ushering the young minds from ignorance to enlightenment. The college was established in 1921 and is affiliated to Panjab University, Chandigarh. Our college provides basic and qualitative education to students to promote their talent.

We are fortunate to have a strong team of talented, highly committed teaching and support staff here to ensure the smooth and efficient learning environment for our students. I am happy to ensure that we provide a safe and happy environment for our students and a place where their individuality and the diversity, they value, is respected. We give students responsibility and guidance to set the standards which they themselves aspire to, both academically and in the way they relate themselves to others. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extra-curricular activities that are offered. The overall development of the mind and body is a sign of a healthy and complete development. This is critical for building their confidence, allowing them to engage with others in an informal way outside the classroom as well as building a positive identity with the college.

I assure you that your ambitions will find their demeanor at R.S.D. College. I, once again, on behalf of the College, welcome you to its portals and I wish that you have an enriching sojourn. May you achieve great success and scaling new heights in the coming session 2017-18.

With blessings and warm wishes

COLLEGE PROFILE

Ram Sukh Das College, Ferozepur City, founded in 1921, has grown into one of the largest centres of higher education. It was a cherished dream of Late Lala Ram Sukh Das ji to start a college in this area. He kept apart Rs. 50000 for this purpose. Land and building was also donated by the family. This dream was translated into a reality by his illustrious

son late Lala Gowardhan Das ji who was an eminent lawyer and philanthropist of the town.

The College, one of the oldest in the state, is governed by Ram Sukh Das College Trust and Management Society. Late Rai Sahib Lala Gowardhan Das ji became its Founder President and he worked diligently as President till his sad demise in 1959. For forty years, he worked ceaselessly for the welfare and development of this institution with single minded-devotion, untiring zeal & enthusiasm. After his demise, his eldest son, Sh. Kulbhushan Sanwalka, Advocate, became the President and served this institution for more than three decades till his untimely death in 1992. His whole hearted devotion and ceaseless work made R.S.D College, one of the top institutions in the state. Sh. Satish Chandra Sanwalka, a dynamic business magnate took over as President of the college managing committee to fill the void created by the death of Sh. Kulbhushan Sanwalka ji.

The College is duly accredited by NAAC and situated outside Makhu Gate on the Mallanwala Road. The College has a beautiful campus with imposing building, lush green lawns and playground, extremely well equipped Science Laboratories, Lecture Galleries, Library and Reading Hall, Air-Conditioned Computer Laboratories and Seminar/Conference Hall. The whole college campus is connected with a stand-by most modern generator for power backup. The college is completely Wi-Fi enabled Campus. The College has a shooting range of its own. The college has constructed an airy well lighted spacious two storey modern library building, and beautiful administrative block for the benefit of the students and the staff.

Recently, keeping in view the increasing demand of a secure Girls' Hostel, the College Management has built a modern and state of art girls' hostel with facilities for girls coming from far-fetched areas. This is a commendable step to promote the girl education.

OBJECTIVES OF THE COLLEGE

From the Founder President's Address on the Opening Ceremony (29-05-1921)

"The truest test of civilization" wrote Emerson, "is not the census nor the size of cities nor the crops but the kind of men the country turns out", for as was rightly remarked by Orison Morden, "Manhood is above all riches, overtops all titles, character is greater than any career". And if education, which is one of the most vital forces in the economy of every civilized country in the globe as it shapes the destinies of human children in the morning of the manhood, confines itself (as at present it does) to mere intellectual education and neglects the far superior work of evolution of high character among boys and girls, it misses the greatest feature of its vocation.

Dr. Corrivell of America who has made the study of Youngman as his greatest hobby most painfully remarks, "War, Pestilence and Famine combined sink into insignificance when compared with the evil habits and wicked practice of young. My most blessed Master has taught me the supreme importance of character." The college, therefore, keeps this fundamentally important object in the prominent front seat of its curriculum. The development of character will be the important feature of the college. It will ever be the concern of the college authorities to give its pupils modern and update intellectual education and along with that evolve in them a type of noble, truly chivalrous and practically useful and serviceable manhood.

The first essential would be to provide a clean, moral atmosphere. As beautiful flowers grow in congenial atmosphere, the same way does the delicate feelings of higher character sprout and blossom in a favourable atmosphere. The need for such an essential institution cannot be too deeply emphasized. From one border of our native land to the other, an aggressive and relentless warfare should be waged until a cleaner and more wholesome atmosphere prevails among the young manhood of the nation. For, there is a contagion of virtue as well as of vice, there is a contagion of moral health as well as of sickness. The influence of the deed is more potent than that of the word. Besides providing good and efficient staff it shall also be the serious anxiety of the college authority to provide such books and periodicals which add value to the character and joy to life. Thus every effort will be made to surround the lives of young scholars with all that can elevate and ennoble them.
